### Full job description

National Financial services ASX organisation have an opportunity within their brokerage division for a national Manager. The role can be based in head office CBD or in the Eastern Suburbs practice

#### What's on offer:

- Opportunity to work in a ASX listed success story
- The chance to further develop your career in financial services
- Autonomous role
- Supportive management

#### Your key responsibilities will include:

- Drive system, process, policy, and procedure improvement
- Support the Broker Sales team to achieve organisational goals
- Management and development of team and self to align with organisational objectives. Effectively manages performance, change and employee engagement.
- Overall responsibility for the development, review and migration of all broker procedures.

#### About you:

- At least 5 years general insurance experience (preferably broking) at a mid-senior level
- Excellent analytical and accurate numerical skills
- Strong Leadership / Influential / Coaching skills
- Certificate of Financial Services, or a related field, desirable. The role includes include broking and advice, so either broking qualification or willingness to obtain one is important.
- Solid ability to develop key industry relationships
