Full job description

Your new company

Our client is a top-tier and highly reputable global firm with a strong Funds practice in Sydney. Their Lawyers continually have the opportunity to strengthen their skills and experience through their day-to-day work managing sophisticated deals for their high calibre client base. The Sydney office works closely with the firm's Brisbane team on transactions so there is strong collaboration within these teams on large deals.

Your new role

The role will involve working with regulated funds, M&A funds, in addition to general funds management. There are two main Partners in the team, who are true experts in this space, and you will have the opportunity to directly learn from these highly knowledgeable, and incredibly skilled Partners. The work includes advising both domestic and international clients.

What you'll need to succeed

In order to be considered for this role, you will have the following experience:

- Currently admitted to practice as a Lawyer in Australia
- 1+ years of Funds or Investment experience in private practice or from an in-house role
- A high technical ability, and an eye for detail

What you'll get in return

You will receive a salary package that is amongst the top in the market, in addition to an excellent benefits package, and the opportunity to work with and learn from experts in the field for a solid boost in your career.
