Full job description

Your new company

Your new company will be a family owned and operated business with over 15 years' experience in the Civil and Mining industry. They commit themselves into having high attention to detail, ensuring that their clients and customers are the main priority. This company provides bulk earthworks, civil, rural, and agricultural development, quarry, and mining work. To be successful for this role, you will need to ensure safety is your number one priority.

Your new role

Your new role may include the rehabilitation, landscaping and maintenance services of a mine site, site civil works, clearing and topsoil removal and vegetation. You will be conducting works including but not limited to, levee banks, topsoil stripping, creek diversions, dam building, dozer push, building pads, drains, rock drains, sediment dams, drain de-sitting, removal of vegetation growth and protection works for culturally sensitive areas on a mine site.

What you'll need to succeed

To be successful for this role, you will need to operate one or more of the following machinery (RIL's within 5 years), Dozer, Moxy (RIIMPO337), Scraper, Service Truck, Excavator (Longreach), Water Truck, Grader and Road Train. A current driver's licence and White "Construction" Card, Current Standard 11 and Coal Board Medical.

What you'll get in return

You will receive either a 7/7 or a 5/2 roster. You will be based in the Bowen Basin and will be provided full camp facilities (meals, accommodation etc). You will have a competitive hourly rate + super on all hours worked, you will be paid on a weekly basis. You will be provided full PPE – excluding steel capped boots
