### Full job description

#### Our new company

This government organisation is based in the Northern Suburbs of Melbourne and are currently looking for an experienced Finance Analyst to join their vibrant team.

#### Your new role

You'll be responsible for developing, managing and reporting on all financial aspects of a major project.

#### Key Responsibilities include:

Month-end accounting process for the Program including Project and Program forecasts, complex contract financial forecast updates and variance analysis. Financial reporting processes to provide appropriate levels of reporting to various stakeholders including the Head of the Project, Chief Financial Officer, and various Boards. Develop and manage the financial controls for the project budget. Regularly reviewing AUC balances, and when required, making adjustments if there are impairment indicators, and ensuring transfers from AUC occur as assets are completed and available for use Provide financial modelling input to Business Cases and Change Impact Assessments as required.

#### What you'll need to succeed

You are tertiary qualified (Finance, Accounting, Commerce or related discipline) with relevant industry experience, and have, or are working towards, full membership of a recognised professional accounting body (CPA/CA ANZ or equivalent). In-depth knowledge and experience in accounting practices, particularly with respect to budgeting, forecasting and reporting on large programs with budgets over \$100m and experience with tracking Vendor contract payments. Financial Analysis experience or similar role (Highly Desirable) Prior use of SAP (R/3, BW and BPC).

#### What you'll get in return

**Flexible Working Arrangements Attractive Salary (Daily rate \$670-\$780 inclusive of Super) 24 Months fixed Term contract**
