About Us

Established in 2010, 2XM Recruit Pty Ltd Australia is part of a global group of companies delivering quality recruitment solutions across four core divisions: Engineering, Rail, Mining and Construction.

We have a joint philosophy of focusing our efforts on others and “Going The Xtra Mile” in everything we do. We strive for the brand to be recognised for providing great value and service excellence. Within the APAC region, we are part of the 2XM Group of companies, which also includes 2XM Technology, 2XM Finance and 2XM Projects.

Our Client: With its head office at Amberley and depots in Brisbane, Toowoomba, and the Gold Coast our client has more than 50 staff to provide around the clock service of your mechanical and electrical equipment and building services.

Qualifications, Skills and Experience Required Includes:

- Trade registered and licence as required HVAC/Refrigeration licence.
- Current/Valid QLD Driver's Licence.
- Install and maintain air-conditioning, refrigeration, and mechanical services.
- Install chillers, ducted A/C splits, air handlers, chilled water systems, packaged type systems, cold/freezer rooms, display cabinets.
- A/C & Refrigeration electrical, fault finding, servicing experience.
- Industrial & Commercial experience, electrical knowledge.
- Ensure that all reporting and record keeping functions associated with chillers and associated pipework recorded and coded as required.
- Applicants must hold unrestricted AU working rights and able to pass defence security clearance.
- Advantage to trades who have a variety of experience within a commercial and maintenance environment majority of work will be on defence sites in QLD.

Successful applicants will be required to undergo a national police check prior to commencing.
