Full job description

Are you seeking your next long-term Warehouse Management opportunity? Look no further!

Our client is currently seeking an experienced Warehouse Manager to join their team and lead their Distribution and Transport department. They are looking for someone to lead their team to maximise productivity and increase efficiencies, responsible for the day to day running of all logistics and warehousing operations for the facility.

Who will you be working with?

Our client is a national industry-leading organisation, operating within the

FMCG food manufacturing sector.

What are the benefits?

- Long-term leadership opportunity
- Opportunity to join an industry leader
- Work with a skilled and professional team

What will you be doing?

- Providing freight movement for the site which maximises the cost effectiveness of production runs while maintaining in specification and on time product quality
- Working with Operations, Purchasing, and Site Management to analyse and review logistics plans in terms of capacity, resources, and technology to ensure objectives are met within parameters
- Communicating with customer service and other relevant departments to ensure on time dispatch
- Maintaining and managing logistics key performance indications and records for planning and sales history
- Assisting with planning short and long term distribution requirements so as to ensure optimum efficiency in production and delivery schedules

What do you need?

- Experience in a logistics and warehousing leadership role within manufacturing, preferably FMCG
- Excellent people management skills
- High level analytical and computer skills
- Strong safety focus with the ability to drive this culture within the workplace
- Excellent written and oral communication skills

If you think this could be the role for you then please **apply now!** Or, if you know someone who would suit this role or have any questions, please contact **Chelsey on 0478 191 193.**

At Fuse, we specialise in recruitment for the manufacturing industry and actively source a variety of roles for a broad range of manufacturers. If you are looking for a new opportunity, I'd love to hear from you!

If you know someone looking for a job, refer them to us and we'll give you \$500* if we find them a new role!
