Full job description

Your new company

Work for a leading Lender, who are rated for providing great customer service and fast and flexible solutions. Based in Sydney, they are a growing organisation who are looking to expand their current team. Due to the market growth and internal opportunities they are looking for someone to join their busy Credit Decisioning team.

Your new role

As a Credit Analyst you will be:

- Working closely with internal and external stakeholders
- Assessing the home loan documentation - reviewing the information provided inline with the credit policy and regulations - whilst highlighting any risks that may arise
- Providing an acceptance/decline outcome based on your level of credit authority or escalating with Management where required
- Ensuring parties are kept up to date where relevant and providing information/documentation when requested
- Managing risks and keeping up to date with the credit policies and regulations within this sector

What you'll need to succeed

To be successful as a Credit Analyst you will have:

- Experience working as a Credit Analyst/Assessor or Underwriter (Highly Desirable)
- Previously held a Residential DLA (highly desirable)
- Experience handling loan documentation in an end to end format or experience writing credit submissions
- An excellent understanding of the end to end processing for Mortgage applications

- The ability to review and analyse data
- Fantastic communication and customer service skills
- The want to succeed and be apart of an engaging environment

What you'll get in return

If you are successful you will receive:

- A Full Time, Permanent Position working Monday to Friday, standard working hours
- A position that may offer flexibility Working from Home and Office
- A competitive salary + superannuation depending on experience
- An opportunity to be apart of a growing Organisation that are market leaders
