### Full job description

#### Your new company

This company specialises in all aspects of protective coating and waterproofing covering a wide range of sectors from residential through to commercial and civil. The type of projects are varied and range from swimming pools, commercial scale basements, walls and roofing to tunnels. As steady increase in projects has created and opportunity to two people to join the team to be trained as Waterproofers. This opportunity is open to skilled trades who wish to learn a new trades or Trade Assistant who would like to learn a new role.

#### Your new role

This role requires you to work within a team environment where you will be taking on small and large projects, it's a unique opportunity where you will be trained up (from scratch if necessary) in all aspects and applications for water proofing. You day will be varied depending on the project, you may be working on small residential projects or large scale construction sites.

#### What you'll need to succeed

To be able to be successful for this role you will need to be able to meet the following:

- White card
- Own ABN (Or willing to get one)
- Confident use of hand and power tools
- Have a will to learn new tasks
- Good work ethic
- Able to work full time hours Monday to Friday

#### What you'll get in return

This is a unique opportunity to join an organisation and be fully trained in a new trade. A great opportunity to work for a company that is focused on creating a

good work environment as well as skill development. Meet some great people and build up your skills to proactively work every day. This role will be temporary fulltime hours initially but will lead to an ongoing role employed directly by the organisation.
